

Peter Schlosser

Peter Schlosser is the Vice President and Vice Provost of the Global Futures Laboratory, the Director of the Global Institute of Sustainability and Innovation and University Global Futures Professor at Arizona State University. Schlosser's research focuses on the hydrosphere, primarily the circulation of water in the oceans and the use of groundwater, climate change, and the future of our planet under increasing pressure from human activities. He serves on numerous national and international science steering and advisory committees, including Co-Chair of the Earth League, Chair of the Steering Group of the International Study of Arctic Change, and member of the Boards of the Sustaining Arctic Observing Network and The Sustainability Consortium. He is a member of the German National Academy of Science, and Fellow of the American Geophysical Union, the American Association for the Advancement of Science, and the Explorers Club.
